allowance of Rs. 100/- p.m. in addition to his grade pay.

25) The reason given is: "in view of the onerous nature of the duties and heavy responsibilities attached to this post".

26) Whatever the onerous duties and responsibilities were during the time he worked as Officer on Special Duty, it is not clear whether there is any order at all for giving him the same emoluments even after he ceased to be the Officer on Special Duty and took over the duties of the Collector. It is not also clear whether his drawing the same allowances as Collector or Deputy Commissioner, as were attached to his post as Officer on Special Duty was regular.

Magistrate, Civil and Military Station, Bangalore, on his Grade pay as Deputy Commissioner, plus a Duty allce of Rs. 200/- per mensem and a Conveyance allce of Rs. 100/- p.m. Thus there was no Special duty, and the emoluments fixed for ~~the Special Officer~~ Sir Puttarangaswamy as Special Officer were fixed for him in the G.O. dated 28.4.47 even as Collector and Dt. The emoluments suggested were, however, accepted by the Residency, and in the letter dy 16.6.47 of the Residency it is stated that the duty allce of Rs. 200/- was paid for the change in the nature of the work and the post.

35) The first Council Resolution on 24-3-47 was to place Sri N. Puttarangaswamy on special duty in connection with retrocession with an allowance of Rs. 100/- p.m., in addition to his grade pay.

36) On 23-4-47 however, within a month, there is another Council Resolution posting him as Special Officer on his grade pay plus duty allowance of Rs. 200/- p.m. plus coney ance allowance of Rs. 100/- p.m.

37) There are no notes or discussions which can throw any light on the necessity to increase the emoluments. The submission note to His Highness however says that in view o the "onerous nature of the duties and heavy responsibilitie attached to this post" it was necessary to consider the question again in the Council.

38) Again, Government Orders issued on 28-4-47, posting him not as Officer on Special Duty in accordance with Council Resolution, the submission note, and His Highness' Orders, but, placing his services at the disposal of the Resident, for being employed as Collector and District Magistrate for C & M Station, giving him however, the same D.A. and C.A. that were sanctioned to him as officer on special duty . Apparently there was no time available for him to be on special duty before taking over as Collector, and he had to do the Special work while carrying on as Collector and District Magistrate. This seems further clear by the fact that he has drawn the emoluments fixed for the officer on special duty, as Collector, C & M Station and later, as Deputy Commissioner, Bangalore (Urban) District.

39) Sri N. Puttarangaswamy had a good deal of original and complex problems to deal with in connection with the amalgamation of the C & M Station with the Mysore Administration; the separation of the Civil from the Military areas, the integration of the Assigned Tract Staff with t

various Government Departments and the administrations of the Municipal Commission of the Civil Station are a few that could be mentioned as illustrative of this. He had also to attend to various charitable and other organisations and the administration of the Food Department both on the procurement and the distribution sides. His was a delicate job too, as the Civil Station residents, long used to a particular type of administration, were often restive and looked with suspicion at every move made to make the administration there conform to the pattern in the rest of the State. Though he had only the Civil Station area, as he had continually to move around as Chairman of the Municipal Commission, the C.A. of Rs. 100/- was justifiable. So could the D.A. of Rs. 200/- be justified because of the "onerous duties and heavy responsibilities" mentioned above. They were at least of a special and unusual kind.

(40) There has been a good deal of change in circumstances and conditions of works since April 1947. Not one of the factors which existed at the time Sri N. Puttaranga-swamy was posted to or worked in that charge exists now, nor could it be said that though they may not be the same, there are at least similar factors present now, which would justify the grant of any kind of allowance to the present incumbent, Sri B.T.Kempanna. The special problems have all been solved. The M.A.T. staff has been integrated with the various State Departments; the food administration is directly under the Director of Food Supplies; the Civil Station Commission is no longer there having been amalgamated with the Corporation.. There are no unusual conditions or complex problems peculiar to this District, or which had not been there prior to the posting of Sri N. Puttarangaswamy.

(41) Sri B.T.Kempanna mentions an "increase in his work", but does not mention the decreases. His charge and the

Subject:- Grant of Duty Allowance to Mr L.J. Bergsma, Deputy Commissioner, Punjalam Division.

(53) Mr L.J. Bergsma, Deputy Commissioner, Punjalam, holds also the appointment, viz., (1) Duty Allowance of Rs.200/- per mensem (2) Allowance for food work Rs.50/- on the ground that his predecessor in office was getting the same and that the post of the Deputy Commissioner of the amalgamated districts of Sungkorn/Ban, is unsuitable, isolated.

As (2) above is no matter of judging the work - the question of the allowance -, but if the allowance is to be regulated according to any uniform policy on reasonable charges, it may be stated that no duty allowance is attached to any of the other Deputy Commissionerships in charge of districts.

As (1) orders have been issued separately sanctioning [illegible] the appointment of the present incumbent to [illegible] Punjalam, [illegible] on the [illegible] pay [illegible] which this allowance is drawn [illegible] [illegible] [illegible]

Sri A.S. Narayana mentions an "increase in his work", but does not explain the decrease. The change in the volume and importance of his work are no heavier than what they were in 1947 and before that, when Sri A.S. Narayana Reddy was the Deputy Commissioner. The jurisdiction then was the whole of the Bangalore District and the City; the jurisdiction now is the whole of the Bangalore District, the City and the erstwhile Civil Station, which is not even half of the City, and in no sense an appreciable addition. Sri A.S. Narayana has the advantage of having two Personal Assistants and a large staff, I am sure the staff has not been retrenched to the fullest possible extent, consequent on the abolition of the Urban District while the Personal Duty Assistants (prior to 1947) had only one. His work is mainly limited now to a number of the Police Department has taken off the bulk of the work not dealing and political matters. Rationing, Inter-[illegible] Act etc., etc., in the City and the erstwhile Civil Station areas from the Deputy Commissioner formerly the Bangalore District Deputy Commissioner did not have the advantage even regarding the City area. Sri A.S. Narayana's own letter (Exhibit) dt. L.Dis-50/51 dated 26th April 1950 to the Chief Secretary to Govt mentions.

"Allowances cannot be sanctioned as a matter of course by a sanctioning officer, especially when the facts of the circumstances have materially changed. Sri A.S. Narayana cannot take the plea that his predecessor was drawing travelling allowances claimed for his daily journeys without taking note of the altered circumstances. With the widening in of the Corporation and the amalgamation of the 'Urban' District in creating [illegible] area, in the case of certain [illegible] which the seat of the District, there is no [illegible] or additional [illegible] the [illegible] their [illegible] charge, [illegible] 1947."

There is no case at all for the grant of any allowances to the Deputy Commissioner, Bangalore District from 16th February 1950."

The Financial Secretary has concurred in the views expressed above.

The Hon'ble Chief Minister has ordered that the case may be considered at a meeting of the Council.

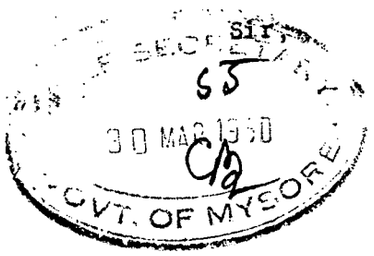
OFFICE OF THE DEPUTY COMMISSIONER,
Bangalore District,
Dated, B'lore the 28th March 1950.

To

Sri K. Srinivasan, B.Sc.,
Chief Secretary to Government
of Mysore, BANGALORE.



Sir,

Subject: Continuance of sanction for the duty allowance and allowance for attending to the work of the Food Department to me - orders requested.

...

I have the honour to state that the previous Deputy Commissioner, Bangalore District (urban), Sri N. Putterange Swamy, B.Sc., was granted a duty allowance of Rs.200/- P.M. eversince he took charge from the then Collector, Sri P.M. Jayarajan, I.C.S. He was also sanctioned an allowance of Rs.50/- for attending to the work of the Food Department of the Civil Station, Bangalore. This allowance of Rs.50/- was granted to the previous collectors and the same was continued by the Government of Mysore to Sri N. Putterange Swamy also.

I took charge of the Bangalore District on 18-2-50 as Deputy Commissioner and District Magistrate. The duty allowance of Rs.200/- that was sanctioned for Sri N. Putterangaswamy has to be continued ordinarily to me also. As I continue to function as Chief Rationing Authority for Food Control for the Civil Station, the allowance of Rs.50/- P.M. has also to continue pending orders, on proposals submitted to Government saying that I may be relieved of the work as Chief Rationing Authority for the Civil Station, and that the Rationing officer of the Civil Station, Bangalore may work under the Director of Food Supplies. As these were the sanctioned allowances to the Deputy Commissioner (Urban) and had not been cancelled, a bill was prepared claiming these two allowances and sent for audit. The comptroller has returned the bill calling for the authority sanctioning these allowances to me. It is needless to point out that the allowances referred to above were not personal but attached to the office, I am now holding. However I may mention that my work has considerably increased with the amalgamation of the two districts and it is all the more necessary to sanction the continuance of the Duty allowances to me also.

I request

P.C.

I request therefore, that orders of Government may kindly be obtained for the continuance of these two allowances.

Yours faithfully,

DEPUTY COMMISSIONER
BANGALORE DISTRICT.

Subject:-- Jurisdiction of the Deputy Inspector General of Police, Bangalore City.

--

DM.5747 11
5213, 4ur 1911

With reference to your letter No.H.79(Police) dated 1-4-50 forwarding a copy of letter No.CB.62/49-50 dated 3rd March 1950 from the Inspector General of Police in Mysore for my views on the proposals contained therein, I have the honour to state as follows:--

The recommendation made by the Inspector General of Police on the proposals submitted by the Deputy Inspector General of Police for the consideration of Government, seems to be based on the possibility of affording some relief to the Deputy Commissioner in ~~xhargx~~ the discharge of his several duties in the interest of administration of the District, I am unable to comprehend in what manner difficulties have arisen suddenly in the efficient administration of this District so as to necessitate the relief proposed. Till very recently~~x~~, this District, except for the small area comprised in the Civil Station, was being administered by a single Deputy Commissioner with the help of his assistants and I consider that the addition of the Civil Station area, small as it is, has not augmented the work of the Deputy Commissioner so much as tonecessitate the assistance proposed by the Inspector General of Police. On the other hand, sufficient assistante so far as the administration of Law and Order including the administration of the several special acts referred to in the Police Act, Mysore Arms Act, Cinematograph Act and Motor Vehicles Act and Rules is concerned, already exists by the presence of the three District Superintendents of Police in charge of the 3 areas viz., Civil Station, Bangalore City and Bangalore District under the general control of the Deputy Inspector General of Police, Bangalore District who will also assist the Deputy Commissioner in the administration of Law and Order

then why ask for allowances?

Itd.K.S.
Ch. Secy.

Order in this District. Therefore, as a matter stands at present, there does not appear to me any necessity for empowering the Deputy Inspector General of Police under the several Special acts as proposed, to further assist the Deputy Commissioner in the administration of Law and Order in this District.

For the same reasons mentioned above, there does not appear any necessity for investing the Deputy Inspector General of Police with the powers of an Additional District Magistrate for the administration of the several special acts referred to within the jurisdiction of this District. All these special acts can be administered effectively by me as was being done before with the assistance of my Personal Assistant and the various Police Officers working in this District. Such a proposed empowerment is neither called for nor will it be conducive to the efficient administration of this district. It is always desirable to have only one District Magistrate for the District for the efficient administration of Law and Order instead of having dual control as proposed. Further I have not been able to lay my hands on any order of Government which has invested al the Districts Superintendents of Police with the powers of Ex-officio First Class Magistrate as stated by the Inspector General of Police in his recommendation to Government and which appear to be the basis for the Inspector General of Police's recommendation to invest the Deputy Inspector General of Police with the powers of an Additional District Magistrate. I am therefore of opinion that no circumstances have suddenly come into existence that would necessitate the divestment to any extent of the powers of the District Magistrate, Bangalore District, even by the addition of the Civil Station Area.

As regards the delegation of his powers by the Inspector General of Police to the Deputy Inspecto

Inspector General, it is purely an inter-departmental convenience as between the Inspector General of Police and the Deputy Inspector General of Police so far as Police administration in the District is concerned. However, I presume that such delegation of powers will not prejudice the powers of the Deputy Commissioner as the "Head of the Police in the District" under the provisions of the Mysore Police Act.

I have no objection for the Deputy Inspector General of Police being in charge of all S.B. work of the District including those of Telephone and Aircraft Factories but suggest that the Deputy Commissioner of the District should be informed of the S.B.particulars of the District as before.

The Deputy Inspector General of Police may also exercise powers under the Petrol Rationing Order so far as Bangalore City and North and South Taluks are concerned. Subject to these conditions, I have no objection for the jurisdiction of the Deputy Inspector General of Police being extended over the entire District.

DEPUTY COMMISSIONER
Bangalore Dt.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

ORDER NO. 3188-89/C.R.78-50-1.

BANGALORE, DATED, THE 18TH MAY 1950.

The question whether the various kinds of allowances drawn by officers working in the Civil Station, Bangalore may be continued, has been engaging the attention of Government for sometime past.

After a careful consideration of this question, it is decided that the scales of allowances to officers in the Civil Station should be the same as those prevailing in the City Area for similar officers.

The special allowances being drawn by the present incumbents in the Civil Station, Bangalore, may be continued to be drawn by them till they are posted elsewhere.
